

Answer Key

Lesson # 6: Alarms/Emergency Notification System (Communications)

Correct Answer for Part 1:

1.) B

Note: John's big mistake and it could have been a fatal mistake was not listening during the safety briefing! However, given the situation, going to seek immediate clarification from his supervisor is the best option for John at this time. Do you know what the evacuation alarm signal is for your company? If not, talk to your supervisor today!

Correct Answers for Part 2:

1.) A.

2.) B

Note: What are the alarm signals at your workplace? If you do not know, talk with your supervisor as soon as possible!
